

# Rescue Kit 8' & 11'

Available With Either  
+ Standard Strap  
+ Recovery Strap

# Rescue Kit 8' & 11'

Available With Either  
+ Standard Strap  
+ Recovery Strap

**All Of The Rescue Pole Capability In A Compact, Space Saving Design**

## FEATURES

- Two overall reach lengths available:  
8'/2.43m (2 pole Kit) or 11'/3.35m (3 pole Kit)
- Coupled poles attach to the rescue hoop, vastly reducing the overall size of the kit for both reach lengths
- Can accommodate both the + Standard Strap to be used with a lifting device or our + Recovery Strap for a manual recovery
- Kit floatation and stow/carry bag available
